

Honorary Fellow Award

The Honorary Fellow Award bestows an honorary membership to individuals who have contributed significantly to the field of ultrasound.

Gustavo Malinger, MD

Born in Montevideo, Uruguay, Gustavo Malinger, MD, traveled to the opposite side of the globe for his education, where he studied at Hebrew University Hadassah Medical School and earned his medical degree from the Sackler School of Medicine, Tel Aviv University. He subsequently completed his residency in obstetrics and gynecology at the Edith Wolfson Medical Center (WMC), where he also served as a lecturer and as a tutor in surgical technique. From 1994 until 2012, he was director of the Prenatal Diagnosis Division and codirector of the Fetal Neurology Clinic at WMC. Since 2013, Professor Malinger has been director of the

Obstetric and Gynecologic Ultrasound Division at Lis Maternity Hospital—the obstetric and gynecologic facility of Tel Aviv Sourasky Medical Center.

Known worldwide for his research on the fetal brain, Professor Malinger has published close to 150 manuscripts and book chapters, including the first descriptions of fetuses with congenital Zika virus syndrome. His most recent book, *Ultrasonography of the Prenatal Brain*, was completed in collaboration with Ilan Timor-Tritsch, MD, FAIUM, Ana Monteagudo, MD, RDMS, FAIUM, and Gianluigi Pilu, MD, FAIUM (hon), and published in 2012.

An associate clinical professor at the Sackler School of Medicine, Professor Malinger has been a strong proponent of education since his medical school days. Not only has he presented more than 120 lectures at meetings in Israel, the United States, Europe, and South America, he has served as a course director, symposium director, or congress director for organizations around the world ranging from the Israeli Society of Ultrasound to the First Israeli Congress on Fetal Neurology to multiple World Congresses of Ultrasound in Obstetrics and Gynecology to various “Advanced Courses” for the International Society of Ultrasound in Obstetrics and Gynecology (ISUOG).

Professor Malinge has served as an external expert on reproductive health and research for the World Health Organization and has supervised the work of 3 doctoral candidates and 5 students earning their master's degrees. A reviewer for 16 medical journals and member of the Editorial Board of *Ultrasound in Obstetrics and Gynecology*, Professor Malinge is active in a dozen medical associations throughout the world. Both the Chilean Society of Ultrasound in Medicine and Biology and the Argentinean Society of Ultrasound in Medicine and Biology have granted him honorary membership status as well. The American Institute of Ultrasound in Medicine is pleased to add one more additional honorary membership to this physician's impressive curriculum vitae.
